Town of Embarrass
Board Meeting
July 10, 2019

PENDING BOARD APPROVAL

Present: Roy Worsham, Gary Rantala, Mary Novak, Jennifer Boese; Absent: Zane Beaton

Visitors: Kirk Saranpaa, Mickey White, Paul Knuti, Cindy Koivisto, Cindy Scherer, Linda Koskela, Bill Wright, Jack LaMar, Gene Wright, Jake Mutchler, Sharon Rantala

Meeting was called to order at 6:01 by Worsham with The Pledge of Allegiance.

Correction of the date on the June 12 minutes. Knuti talked about no motion made by the board to hire and rate of pay for a grant writer and that the minutes should be altered to show that no grant writer has been hired. Worsham informed Knuti that Boese and himself have tried to contact the grant writer and that she responded to Boese with an email that she is not available until after July 12. Worsham asks Knuti what would you like us to do comment that we haven’t hired a grant writer and that we have not come to a price? Knuti says that is fine, just so people know that. Knuti says when there is corrections on the minutes they need to be republished nobody knows except for the few people that come to the meetings. Bill Wright says they will know the corrections if they read the minutes of this meeting because it is stated in the minutes. Knuti says they do not reflect the corrections that were made, so that won’t work. Mickey White speaks and says yes it will and does, she points out to Knuti the corrections that were from May minutes were shown in June minutes. Worsham also speaks and says corrections were made and printed in the previous minutes. Knuti mentioned that Beaton stated that he would contact the architectural firm to help with the project of the Pyhala Farm. Beaton said he was going to contact back in April. Worsham told Knuti that Beaton is not here tonight and he will not speak for him. Knuti says he will speak for him and says Beaton didn’t contact them. Approve the minutes as amended, that we have not hired a grant writer or determined the grant writers pay and to ask of her specifically what we want her to do. At the next board meeting we will ask Beaton about calling of the architectural firm. (Motion/Rantala: Second/Worsham) Carried 2-0.

Bill Wright asks about the Treasurers Report and the Post Office Fund. Wright expressed his concern on the way it is showing on the cash control sheet. Treasurer offers a receipt log to Wright which shows a trail of the Post Office rent. Treasurer says the way that she enters it in now is because that is the way it was set up because that is what was asked at a meeting by someone. Treasurer says she will go back to the original way that she was entering if that what the board wants. She explains she can put all rent check of $1,100 into the Post Office Fund and then disburse $1,000 into savings, but if you don’t feel it is not being tracked enough then it can be separated out into the General Fund then disbursed into savings. In the end either way it goes into savings but is tracked differently on the program. Rantala recommends the treasurer changes it to a form that is more appealing. Treasurer’s report accepted with the suggested changes made to the way the Post Office rent is put into the P.O account then distribute into the savings account. (Motion/Rantala: Second/Worsham) Carried 2-0.

Road Report was given by Rantala. Chloride was applied to Sauna and Hanka Nevala Road. Boese received a call from Dennis that the grader’s battery is shot. Worsham says he will speak with Dave Bialke to replace batteries. Knuti says the chloride has made a huge difference and was worth the money.

Campground Report was given by Caretaker Cindy Koivisto. She says campground is not super busy right now but booked for the fair weekend. Koivisto asks if the board will allow campground to be sprayed for mosquitoes before the blueberry festival weekend. To have the campground sprayed for mosquitoes. (Motion/Worsham: Support/Rantala) Carried 2-0. Koivisto informs the board that maintenance is keeping the bathrooms and shower houses very clean. Rantala rides the trail almost daily and runs into people along the trail and says that the trail is being utilized and kept clean.

June Maintenance Report was read by Worsham. Three truck loads from roadside clean up to dump. Shower house at campground cleaned several times per week. Log slab cleaned, treated and installed on retaining wall at the Town Hall. Town Hall rear soffits removed, rotted wood replaced and soffits reinstalled. Sandbox built for Mathson Field. Bleachers at Mathson Field painted, along with other touch up painting. Repairs made to dugouts at Mathson Field.
Started edging around tennis court so water will drain after it rains. Lots of mowing and weed whipping done at all properties on a weekly basis, all of memorial forest grounds mowed for the first time since its inception. All mowers and 4-wheeler serviced. Insulation for work area applied in the pole barn. Both trucks went in for service. Ford has a cracked case rear of transmission, leaking fluid slowly. Maintenance Report accepted (Motion/Worsham: Second/Rantala) Carried 2-0. Bring Ford truck into Lundgrens for repairs (Motion/Worsham: Support/Rantala) Carried 2-0. Bill Wright reported that the fencing at the ballfield is not completed and would like to know when will be completed. Wright explains that it is a liability to the township and needs to be completed. Boese will make a phone call to check on when work will be completed.

Two cemetery deeds were signed by the board.

Jake Mutchler was present at the meeting to represent Mutch’s Forestry Service. Crossing of Embarrass Township property to get to Ed Matonich’s land to log was approved previously in August 2017. A temporary easement will be granted. Mutchler communicated with the board that they would like to discuss the possibility of a permanent easement to make a legal access to the land. Mutchler ask the board if they will sign the temporary easement that Boese created. Discussion was held on the topic. Worsham informed Mutchler that no other land will be crossed except township property and wanted to make sure of that. Mutch’s Forestry Service and Sappi Fine Paper not to cross over township property and to have the land surveyed at Mutch’s Forestry Service expense or Ed Matonich’s expense not the townships expense and for the permanent easement to be discussed at a later date after the logging is completed. (Motion/Worsham: Support/Rantala) Carried 2-0. More discussion was held on the easement agreement. To have township attorney look at the agreement to make sure it is done properly and everything is clarified in the agreement and preconditions lived up to. (Motion/Worsham: Support/Rantala) Carried 2-0.

Worsham tables the discussion on the motion/suggestion made at the annual meeting on selling the Nelimar and Pyhala properties. No discussion will be held on the subject because a lot of information needs to be checked into before anything can happen. White says nothing has to be done it was just a suggestion and board isn’t obligated to do anything about it. Worsham says he will be looking into what and if anything can and should be done. Bill Wright speaks to say that it was a recommendation from the people and it was a majority of the people at the meeting that recommended it. It is just to get something going so our tax dollars aren’t being spent on these certain pieces of properties. Wright explains SISU found money to re-aud the horse barn in Waasa Township if they want to re-aud this stuff let them find the money for this as well. They don’t own the barn in Waasa just like here so let them do it. White feels this topic should be talked to with a larger group from the community and get more feedback. Worsham explains to White that the door is open to anyone who wants to attend the meetings. Worsham says maybe we need to have a meeting strictly on this to see where we are at so that is why I would like it tabled. Knuti asks Worsham about if the meeting was legally convened. Worsham will be contacting an attorney to ask all these questions. More discussion was held and Worsham stated again the subject is tabled. Gene Wright says you need representation from all of Embarrass on the subject. Scherer asks if this is something that can go on a ballot. Boese replies yes and believes that is the best way to deal with it. Table until next board meeting (August 14, 6:00 p.m.) (Motion/Worsham: Second/Rantala) Carried 2-0.

Knuti commented that at the annual meeting we adopted a levy. The levy was substantially lower than what the supervisors proposed. Knuti would like on paper what the supervisors would like to get done under the new levy and what will not get done under the new levy and written down and presented at the next meeting. Worsham says can’t discuss right now with supervisor absent so will probably have your answer in September. Knuti says that is fine. Bill Wright informed Knuti that the money that was set in the levy will not be spent until July 2020. Knuti says the question still stands. Rantala brought up that he was in error about putting a plow truck on payments and that we can because we have levy authority and it is legal to borrow money and put truck on payments. Knuti informed the supervisors that on the 4th of July week, his wife and he entertained about 35 relatives which some have never been to Embarrass. Knuti took them on a tour himself and says they were impressed with our community. Knuti says some of the SISU properties are kind of marginal. Grass needs to get cut and that kind of stuff. Pyhala Farm gets a B+ or an A-. Worsham tells Knuti thank you and moves on.

Gene Wright talks about what he brought up at the last meeting about supervisors getting paid when absent from meetings. Boese speaks to explain to Wright that Beaton is sick so he has legit excuse. Worsham explains to Wright I may have not been here at last meeting but the time I spend not only on my phone but have been to cemetery for an issue and was even on my phone dealing with township while gone on vacation, it is almost a daily thing. Wright says it was voted for extra pay for extra meetings if you’re not present at this meeting you should have deducted $25. White says if changes are going to be made it will be made next January at the reorganizational meeting and it is up to the board.

Koivisto advised the supervisors that next year a new caretaker/host will have to be found because she will be traveling.

Novak mentioned to everyone that she stopped over by the bridge that is by the Darwin Myers Bird Sanctuary and they are hoping to have the bridge finished soon. By September the bike trail should be open.
Claims and Correspondence were reviewed by the board. Approval of all claims and correspondence (Motion/Worsham: Support/Rantala) Carried 2-0.

Quarterly audit was completed by the supervisors all claims found accurate and in order. Quarterly audit approved. (Motion/Worsham: Second/Rantala) Carried 2-0.

Meeting adjourned at 7:42 p.m.
Respectfully Submitted, Jennifer Boese

Flying Finns Exhibit

The “Fabulous Flying Finn” exhibit is on display this summer at the Nelimark Homestead Museum in Embarrass. The exhibit tells the story of the Embarrass High School track team during the early 1950’s that thrilled the Minnesota sports world.

During the 1920’s, Finland’s Paavo Nurmi was hailed as the world’s greatest long-distance runner and recognized across America as “the Flying Finn”. It was a title that resurfaced a quarter of a century later in Northern Minnesota, when for a few brief years, little Embarrass High School thrilled the world of sports with its exploits on the cinder tracks of the state. So gifted were these Embarrass athletes that they not only beat the best from larger nearby schools, but were able to take on a defeat such perennial Minnesota track powers as Minneapolis Washburn and Southwest. Area sports writers quickly dubbed them “the Flying Finns”.

The Nelimark Homestead Museum is open every Thursday, Friday, and Saturday from 10:00 a.m. to 4:00 p.m. through the month of September. Walk around the museum and see other exhibits, as well as the “Flying Finns”. Purchase special gifts made by the Farmstead Artisans, and enjoy visiting over a cup of coffee. Friday is always “bread day”, with fresh rolls and breads available for purchase, and don’t forget the rhubarb slushies!

Make plans to spend some time with us, learning about the history of Embarrass, and especially the story of those “Fabulous Flying Finns”. The Nelimark Homestead Museum is located at the corner of Highway 21 and East Salo Road in Embarrass.
U of M Vet Students Enjoy Visit to Embarrass

Three young people from Norway who are students in veterinary training at the University of Minnesota spend the weekend several weeks ago visiting and exploring Embarrass. The trio, a young man and two ladies in their twenties were traveling by car and visited some of the unique Finnish farms in the community, did some additional site seeing around our area and included a visit to the Nelimark Museum on Friday morning.

Jennifer, Selia, and Jakob were hosted by Northwoods Farm Retreat Air B&B and enjoyed their time in Embarrass. They especially liked making new friends and talking to some of the neighbors who gather for coffee and visit at the Neli. Those of us who welcomed them really enjoyed talking to them as well and learned many interesting things about their culture and the communities where they live in Norway. They said Embarrass has a very similar climate to the one where they live: lakes, trees and farmland, forests included.

They enjoyed the day so much that they extended their stay in Embarrass for the entire weekend, and toured around communities in the area. On Monday, they went back to the Twin Cities after visiting with folks in a community “Up North” they will never forget.
