Board Meeting
September 11, 2019

PENDING BOARD APPROVAL

Present: Roy Worsham, Gary Rantala, Gene Wright, Mary Novak, Jennifer Boese

Visitors: Kirk Saranpaa, Carol Knuti, Paul Knuti, Mickey White, Bonnie Davies, Roger Davies, Jack LaMar, Bill Wright, roadway. Dale, Chris Dale, Roland Fowler, Cynthia Koivisto

Meeting was called to order at 6:01by Worsham with The Pledge of Allegiance.

August 14 minutes accepted with two corrections. First correction, The board explains to the landowner that the land will be surveyed, and the contractor will not cross over township property line onto the neighbor’s property. Second correction, Board would like to ask Match’s Forestry to give a 30-foot buffer between the property line. (Motion/Wright: Second/Rantala) Carried 3-0.

Treasures Report accepted after a question was answered on campground fund. (Motion/Wright: Second/Worsham) Carried 3-0.

Road report was given by Rantala. After the rain could need some grading, some grading was done on Sunday.

Campground Report was given by caretaker. It has been a busy year and been picking up every year. Koivisto stated she is not coming back next year. An interested party has showed interest in the caretaker position and clerk has been in contact with her. Koivisto was thanked for coming back as the 2019 caretaker.

Maintenance Report was given by Davies. Continuation of mowing of township properties. Maintaining of shower house and pit toilet at the campground. Replaced rotted timbers on the play area. Mowed the Hanka Nevala roadway again. Setting of veteran’s grave marker at the cemetery. Cut and split wood for the heating shack at the rink and campground. Moved brush piles from the Nelmark to the burn pile. Assembled and painted picnic tables for the campground. Made benches for the bike trail. Brushing at the campground along the bike trail. Power washing of tables and pavilion floor at campground. Removed vegetation along the townhall property. New roofing materials installed at the mulch box at the Nelmark. Refrigerator was repaired in the large kitchen. Parts repaired on the John Deere mower deck. Supplied manpower to the fair board. Knuti asked about the Pyhala Homestead field not being mowed. Davies reads March 2016 minutes which stated field to be mowed every other year. (Motion/Wright: Second/Worsham) to not mow the Pyhala field this year. Carried 3-0.

A resident was told to leave meeting after a heated discussion and inappropriate gesture towards the board supervisors. Resident refused to leave so clerk was instructed to call 911. Worsham recessed the meeting at 6:31 p.m. to wait for the sheriff to arrive. Sheriff arrived to remove resident at 6:46 p.m. and meeting was called back to order at 6:48 p.m. by Worsham.

Supervisor Rantala left the meeting due to personal reasons. Agreement with SISU tabled until October 9 meeting. Wright would like to speak with SISU president about a few questions the board has. LaMar and White discuss some of the agreement with the board.

Sheriff asks supervisors to step out. 6:58 p.m. Supervisors return shortly after.

Wright would like a paper drafted and sent to the Minnesota Historical Society being that there has been no response back from them about the possible selling of the Pyhala Homestead property. Nothing can and will be done until more information is known. Will not be moving forward on anything.

Maintenance hours was discussed. Worsham asked to step out with sheriff and resident at 7:09 p.m. Wright will speak with maintenance about the hours and research more information. Employee handbook was discussed and stated it should be updated. Worsham returns at 7:14 p.m. Wright is asked to step out with sheriff and resident. Wright returns at 7:22 p.m. (Motion/Wright: Second/Worsham) have a maximum of 28 hours a week other than emergency situations until hours are figured out. Carried 2-0.

Bog walk was discussed, ideas were brought up on how to repair it. Wright and Davies will go and look at the bog walk and talk about how to repair. Bog walk tabled until October 9 meeting.

Resident that was removed returns to meeting.

Mesabi Trail resolution was reviewed and signed by the board.

Plow truck was discussed. Worsham explains to Wright the Ford he received a quote on was the best deal and option for the township. Discussion on financing the plow truck was held. (Motion/Wright: Second/Worsham) to move forward with the plow truck. Carried 2-0.
Second gutter estimate was received, waiting for one more in the upcoming week.

Board supervisor positions tabled until all three supervisors are present.

Nothing has changed with the topic of possible sale of the Pyhala Homestead. Supervisors would like something in black and white from the MN Historical Society to protect the township if the property can and would be sold. Worsham points out that the Nelimark is not for sale and the board has not discussed selling it. Knuti brought up an advisory motion made by a resident at the annual meeting. Wright explains it was a recommendation by a resident to the board not a motion made by the supervisors. Wright tells Knuti the board has not even discussed selling the Nelimark. Knuti doesn’t approve of the way it was recorded in the annual meeting minutes. Davies speaks to say it was recorded that way because that is the way it was said but the board did not act on the recommendation. Worsham states the supervisors are not looking to sell the Nelimark at this time. Wright moves onto discuss the Pyhala Homestead. Wright states there is no sense in moving on with an appraisal for the Pyhala, no sense on moving on with anything until we have all the documentation we need. Wright says steps to be taken are contacting the MN Historical Society to find out if there is grants that are satisfied or must be satisfied. Following that step we need to find out if family members are still interested in purchasing the Pyhala. Then we would move on to open public meetings. Then we can think about moving on to having it appraised and sold.

(Motion/Wright: Second/Worsham) to approve claims and correspondence. Carried 2-0.

Meeting adjourned 8:06 p.m.

Respectfully Submitted, Jennifer Boese, Embarrass Town Clerk

Meeting Minutes  
September 19, 2019

Pending Approval

Present Board: Jerry Meier, Terri Joki Martin, Janine Patten, Dan Theel; Trustees: Floyd Joki, Rodney Dale, Paul Knuti.

Call to Order
Jerry called the meeting to order at 6:40 pm.

Minutes
The minutes of the July meeting were distributed for review. Terri asked that the July minutes be corrected to “$8,000 was transferred from the savings account for fair start-up costs”, instead of “fair start-up costs and insurance”. Rodney moved to approve the minutes; Craig seconded. Motion carried.

Treasurer Report
The financial report was distributed showing checking & savings account activity and balances for the period 8/15 – 9/18/19 as well as a preliminary report of Fair income and expenditures. Terri said that the gate was up approximately $2,000 from last year and that she was still getting invoices and the exhibit premiums haven’t been paid yet. Craig moved to accept the treasurer’s report. Rodney seconded. Motion carried.

Old Business
- **Fair Review.** Jerry said that he received one complaint that there were no flags in the parade. Sherie said that this was because no one showed up to carry the flags. Chrissy and several others received complaints that there were no horses in the parade.

Jerry asked for suggestions to improve the Fair for next year. Sue said that the ALS dunk tank was advertised for the entire Fair weekend, however; ALS was a no-show, so next year we must verify that they’re coming before advertising. Jerry said that the drone was moved to the horse shoe pit area which helped draw more people. Also, the drone took aerial photographs of the Fair. Sue stated that more help is needed at the gates – six teenagers helped her on Sunday and she was still swamped. It was suggested that next year, more Queen candidates help at the gate and that they be placed with an adult and given instructions. Lisa said that to avoid problems at the gate with the music people, there needs to be a list of the musicians who get free admission, and that the list needs to be provided prior to the gates opening. She also said that gate attendants should be told where to instruct large motorhomes to park.

Sue read an update from Bonnie about the Miss Embarrass Region Pageant. The update included the following: Jazmin Portz was crowned Miss Embarrass Region and Kansas Neari was crowned 1st Runner Up & Miss Congeniality. Jazmin plans on attending several Pancake Breakfasts and parades, the queen candidates sold around 8,000 tickets, and that “the candidates are a great group of girls!” Bonnie would like permanent float decorations and banners and Ken may have a trailer for summer parades. **Thank you, Bonnie for putting on a wonderful pageant!**

Because of lack of paperwork, Bonnie M. said she had to turn away three participants from the dog show. Sue noted that there was a problem with dogs in Timber Hall. Janine suggested posting “No Pets Allowed” signs next year. Paul said Bonnie deserves kudos for doing a great job with the Queen Pageant. Also, Paul’s son participated in the car show and had a great time. Hopefully he will spread the word and encourage more participants. Paul said that it was great that the Fair Books were out so early and that we should keep trying for a marketing committee to drive attendance. Frank said that Team Penning had a good turn out and the Meat Raffle went well. There were a lot of donations and donations for gate panels. He said that the Fair may need to purchase belt buckles next year if they are not donated. Paul suggested an annual budget and Jerry said that the Financial Committee can work on creating a budget. Holly stated that The Flying Finn race made a profit and that she would like to get rid of the accumulated t-shirts from previous years. Lisa suggested making them available in return for a donation at the Pancake Breakfasts. **Craig motioned to make the previous years’ t-shirts available along with a donation can at the Pancake Breakfasts.** Paul seconded. Motion carried.

Frank suggested running power to the arena announcement stand and Lisa noted that the barn building needs electrical as well. Jerry said it would require buried cable 3 ft. deep to prevent damage. Dan suggested putting the cable on poles. Jerry said that the cost of running the electrical needs to be calculated. The possibility was brought up of applying for a grant to pay for the electrical.

Jerry recognized Floyd for acquiring and installing 100 fence posts. The membership is grateful to Floyd for all he does for the Fair. **Thank you, Floyd!**

Dennis said that tree branches are hanging over the baseball field and the loading dock is in bad shape. Jerry suggested that since the dock is rarely used it should be removed for liability reasons. Sue said that keeping Fair Books and flyers at Trapline Liquor worked out well. Dan was happy to report that he saw Fair Books at St. Mary’s Hospital.

- **Policy Update –** (Chris, Lisa, Paul, Sue). Policy update is in progress.

New Business
- **Pancake Breakfast – Oct. 5.** Jerry asked about volunteers to work at the Pancake Breakfast and if there were enough supplies. Terri and Bonnie stayed to check supplies.

Miscellaneous
Rodney wondered about the status of work on the handicapped parking spaces. Jerry brought up the possibility of buying a tent for the Fairgrounds. He also said that a 40 ft. storage cannister was purchased and will be delivered tomorrow morning. Everyone one agreed that 2019 was the Best Fair Ever!

**Frank moved to adjourn the meeting. Dan seconded. Motion carried.** Jerry adjourned the meeting at 7:40 pm.
