Town of Embarrass
July 8, 2026
Board Meeting

Visitors: Tom Klatt, Morgan Klatt, Lori Worsham, Dan Muhvich, Tracy Muhvich

Present: Jack LaMar, Shireen Lee, Eric Garman, Mary Novak, Jennifer Boese

The meeting was called to order by LaMar with the Pledge of Allegiance at 6:30 P.M.
Klatt's Korner presented insurance documents to the Board and brought the trailer for supervisors to inspect if they wished. They asked what the next step would be to allow them to use the Town Hall parking lot for their events. Lee will contact the attorney, and the Clerk will contact the township insurance representative now that Klatt's has provided the documents. Supervisors agreed that, for safety reasons, this is the best option. Klatt's offered to fix a few bumps in the driveway as a thank-you. The supervisors thanked Klatt's for the offer.

LaMar/Lee motioned to approve the June 2026 minutes after corrections were made to two vote totals. Motion carried 3-0.

The Treasurer's Report was given by Novak. The Clerk is still working on the breakdown of two payments that were paid, and reports have not yet been completed. Payments from the county were received for tax apportionment. LaMar requested a couple of reports from the Treasurer. LaMar tabled the Treasurer's Report until the Clerk completes the breakdowns and Novak receives them. Carried 3-0.
Garman/LaMar motioned to transfer the remaining $7,000 from the 420 Post Office Fund into the General Fund, closing the 420 Post Office Fund and maintaining only one fund for the Post Office. Carried 3-0. LaMar/Lee motioned to move $480 from the General Fund to the Tree Memorial Fund to zero it out. Carried 3-0.

The Maintenance Report was given by Lee. Report on file. Reports were requested regarding expenses spent on lawn mowers. Garman stated that the township will likely need a more industrial mower at some point.

Campground Report. Worsham informed the supervisors of another great month at the Heritage Park Campground. Worsham asked about deep cleaning the bathroom ceilings. Worsham cleans the bathrooms but not the ceilings. A camping patron spoke with Worsham and inquired about becoming a work camper at the campground to assist with mowing, chopping wood, trimming, and other duties. Supervisors considered the idea and discussed the possibility of having a work camper; the topic will be brought up again next year.

Cemetery Report. Garman has been very busy marking and setting 18 stones. Weed and Feed Company has not returned Garman's call.

Road Report. Garman stated that Laitinen Road will be completed by the end of July. Brushing has been completed for the most part and has made a significant improvement on the roads. A little over two miles of township roads have been completed.

Garman/LaMar motioned to approve the listed election judges presented by the Clerk. Carried 3-0.
The Embarrass road sign that was taken down on Levander Road and Hwy. 21 during construction was discussed. Reinstalling the sign and obtaining a blue highway sign were also discussed.

Property inspections need to be completed. Due to busy schedules, it was difficult to find a date that worked for everyone. Supervisors agreed to complete inspections on their own and return with their reports.

Residents on Byke Road informed the Board that their elderberry and juneberry trees were cut, and that there was some damage to birch trees and a fence during brushing. Garman stated that the roads were marked for brushing, but the residents did not see the markings placed for the brusher. Supervisors sincerely apologized to the residents and appreciated the suggestions they provided. Residents suggested that a letter be sent in the future to give fair warning and inform them of any brushing so they are able to protect trees on their property.

A Superior Fuel representative spoke with the supervisors about potentially saving the township money on propane and a fuel cell with a card lock. Supervisors would like to discuss this again once they have all costs and expenditures for the gas the township uses, and can determine whether this would save the township money and time.

Lee handed out information and spoke about spending from township funds, whether from savings or general funds, for the expenditure in question. Nothing was done illegally or out of line.

Claims and Correspondence. Lee/Garman motioned to accept claims and correspondence. Carried 3-0.
The meeting was adjourned by LaMar at 7:51 P.M.

Respectfully submitted,
Jennifer Boese
